AOB Agreed that D Corbett will be the club ANCC representative but should there be 12 Car rallies on the agenda - it may be that a second rep. will be required due to Mr Corbett's somewhat biased views on this subject.

A meeting to be arranged on a club night to get the feelings of the membership on 12 Car events & to discuss the paper published by the ANCC on Road Rallying - the meeting to decide a policy on which to base club comments.

Discussion took place on midweek openings of the clubhouse - agreed that if a venue for gymkhanas could be found adjacent to the clubhouse - it would be a good idea to combine both during the light evenings through spring/summer.

Visitors must be asked to sign the visitors book.

Newsletter - D Cobley to be congratulated on the standard of the newsletter.

AOBs Cont

It has come to our notice that a Muggot Farm is operating in an adjacent building to our clubhouse - with no planning permission. Council to get owners to apply for planning permission at which point D Corbett will lodge an official protest.

Clubhouse

Modification proceeding - priority must be to clear our area of all rubbish & it may be necessary to hire a Skip. Mr L. Jackson (Deighton) to be asked to remove the Yorkport Crown.

Clarified that members competing on an event where the club is marshalling, will collect the same points as the marshals in the clubman competition.

Auction - In future all dealings must go through the books if a sale is made wether or not under the auctioneers hammer.

Next meeting 21st May 1979 at Thorganby.

Signed

Chairman
