### Past Events.

Dave Cobley informed the committee that season on recent ~~to~~ events has not been good.

It was suggested that we were in need of a "Chief Marshal" but it was decided to leave these duties in the hands of the Competition Secretary. It was decided that anyone who is approached by another club should route the enquiry straight to Ralph. We will look at forthcoming events and advertise for a person to take charge on likely events, and then write to organisers offering to marshal.

### Future Events.
