Result 1

GLADSTONE TYRES THREE SWANS RALLY

by Selby and District Motor Club.

Dear Competitor

Please find enclosed a copy of the amended provisional results. The publication of these results has been delayed due to the hearing of a protest made by car 13. This protest referred to a breach of L.4.10.27 at TRC 13 by competitors who reduced their lateness by more than three minutes. An omission by the organisers to state that L.4.10.27 would not apply at TRC 13 and a certain amount of ambiguity in L.4.10.26 and L.4.10.27 has meant that the protest was upheld and that the penalties specified in L.4.13.5.(p) should be applied.

As the intention of TRC 13 was to enable competitors to recover most, if not all of their lateness after the first section and that now they are being penalised for doing so, the organisers deem it fair to delete the penalties at TRC 13 as allowed by SR 21.

As only three cars were not in breach of L.4.10.27 and these three were not at any subsequent disadvantage thereafter we feel that these provisional results are a fair and accurate account of competitors' performances on the night.

These results were issued at 09.00 hours on the ninth of February 1987 and are provisional for 7 days hence. As such they are subject to L.1.14.7. Any protest should be sent to David John, Saint Clair, Westcroft Lane, Hambleton, Selby, North Yorkshire YO8 9JQ.

If no protests are received in accordance with L.1.14.7 then these provisional results will become final.
