THE ELVINGTON STAGES RALLY
BY SELBY AND DISTRICT MOTOR CLUB
2ND SEPTEMBER 1995.

Dear Competitor

Thank you for supporting our event, this is the fourth year of running it at Elvington and in that time we have never had to call an Ambulance, obviously our luck ran out on Saturday having to call two in one day. Barry Long who was driving car 66 and was taken away injured is happily now discharged from hospital and is recuperating at home. As for Andrew Mort the navigator of car 48, we understand he was never actually admitted to hospital and went home on Saturday.

Barry Long tells us that in all of the confusion on Saturday a Fiesta 4 Spoke RS wheel which is flush fronted with a FAST 17x52x13 tyre seems to have gone missing. Someone may obviously have just picked it up by mistake, if you have it or have some information please phone Barry on 01904 (York) 707906.

As if we didn't have enough ill health on Saturday seven of the organising team who ate the Chicken Supreme at the NAAFI after the rally were struck down on Sunday, I hope there are no more of you out there.

We hope that you enjoyed the day at Elvington on Saturday and we are sorry about the delays following the accidents but we are glad to say that we only had to cancel one two mile stage out of the ten scheduled despite a total of about an hour in delays resulting from the accidents. The site licence at Elvington only runs until 18.00 hrs and rather than jeopardise the future of motorsport at the venue we had to cancel the last stage. If the venue is available next year then we hope to see you all again.

To Graham Smith /G Watson and Nick Dobson/ Glynis Dobson please contact us to claim your trophies. We have not yet received Damage Declarations back from car 5 Keith Davison/ Mike Chubb, Car 16 A Ausobsky/ J Ausobsky or from car 57 Craig Rees/ Dave Waldron. Please return them immediately
