Dear Mr Chadwick

as a member of the Three Swans organising committee I have been delegated to enquire whether our event is a round of the ANEMMC Road Rally Championship this year. Could you advise me how we go about obtaining a mailing list to send regs to registered contenders in the ANEMMC RR Champ.

Thank you in advance for your assistance

Yours faithfully

Dear Roger

I was going to give you these bits and pieces on Friday but it was a bit of a blizzard.

Enclosed are road rally minutes for everyone down your end.

Delivery note for stationary that I picked up to be deducted from the credit note that I have (leaving about £30.00). They still have Clives address at Thomas Dicks, I didn't have your's with me to pass on to them.

Couple of sample Road Rally cost charts.

Road Rally timetable.

Advice from the ANCC Road Rally championship that we are a counting round and advising us that there is £25 to pay after the event.

The disk contains the following.

A database subdirectory with Selby96.mdb on it which is the membership database. It is in Microsoft Access format but other databases will read it in. The other file which is a .ldb may be an index of the database but then again you may not need it at all.

In the logos Subdirectory are some of the logos that appear on this page in various sizes. They are all in Coreldraw 5 format, if this does not suit you let me know.

In the newslett subdirectory is a copy of the last newsletter, the inside front cover, and the frontpage in Coreldraw5 format.

In the notepapr Subdirectory is the template for this headed notepaper. It is modelled on our previous headed notepaper which we have now run out of. Selbyhed.dot is in Word for Windows 6 format and Selbihed.dot is in Word for Windows 2 format. I can't remember what wordprocessor you use, I can save it in another format if reqd.

And in the roadraly subdirectory is 3swan96.cdr a copy of the regs cover, prlet.doc a copy of the pr letter which prints 2 to a sheet just in case you need to print any more, prsummary.xls which is in excel format and prints the pr summation sheet again if you need any more, and lastly roadcost.xls which is the spreadsheet which models various costs.

Have fun and I'll see you soon

Ralph.

Dear Sir

I would like to inform you of a date change to our National B Multi User Stage Rally which we informed you was intended to be on the 7th September 1996.

At the start of the year it looked as though the event would not take place at all as RAF Elvington was scheduled to be sold off and the MOD were only allowing bookings up to the end of March 1996. Then they relented as the sale is progressing very slowly and although we approached them at an early stage for a date our usual date was taken so we are forced to run our event on the 3rd of August 1996.

According to the RACMSA fixture list North Humberside have an event on the 11th August on Leconfield and I thought that I had better tell them about a possible clash of entries but when I spoke to John Newlove he told me that their event will not run this year.

I would also like to take this opportunity to invite the ANCC member clubs to take part in our National B Road Rally. I shall contact you again nearer the date with regard to mailing labels. Thank you in anticipation of your assistance.

THE THREE SWANS ROAD RALLY

Dear Sir,

I am writing out of courtesy to inform you that our event takes place on the 27/28th April 1996. This year the route of the event which this year starts from our clubhouse near Bubwith and travels to Howden, then east to Brantingham, northwest to Thixendale and ends just north of York.

As I have informed you in previous years we send out Public Relations crews who visit every house on the route and at minimum post a leaflet through the doorway. On certain sections they will speak to an adult and obtain a signature to confirm their visit. This is all done in accordance with the Road Traffic Act (Competition and Trials) Regulations 1969. This event has been duly authorised by the RAC Motor Sports Associations Ltd., (acting as agents for the Ministry) after the Chief Constables of North Yorkshire had been notified of the route in accordance with these regulations. We would assure you that the team responsible for the rally organisation is doing all in its power to ensure that not only will the competitors have their enjoyment, but more important, cause the least amount of disturbance to your members.

Yours faithfully
