REGULATIONS

YORKSHIRE ROADS ON MAPS 100, & 105.
A ROUND OF THE ANCC
AND THE ANEMMC ROAD RALLY CHAMPIONSHIPS.

FOREWORD

Selby and District Motor Club are pleased to announce that the THREE SWANS RALLY is running for a sixth year after another successful event last year. It will be a round of the ANCC Road Rally Championship and the ANEMMC Road Rally championship.

The format of the event has been designed to please expert, novice and "standard car" crews by using straightforward navigation and traditional Yorkshire roads on maps 100 B1 and 105. The route is completely non-damaging with ample rejoin information to ensure that all crews can make it to the finish!

We hope to see plenty of crews competing on what we hope will be an enjoyable nights rallying. If you can't compete we hope that you will be able to help by marshalling on the night.

The Organisers.

Coloured Road Junctions a junction is specified by a group of letters which represent the colours of the roads which intersect at the junction. The road you approach a junction on is represented by the first letter of the group of at least three letters, the other roads read in order clockwise from the approach road. Using all roads

(SH 5) YWY YW YW YW YWY YW YW YW YW YW (SH 16) YWY YW
YWY (SH 18) YY YW YW YW (SH 12)

The Herringbone, the back bone of the herringbone is the correct route. The example below reads from left to right. A line on the left indicates missing a left, in reality this may mean missing a left turn, turning right at a T junction or taking a right fork. Missing a right may mean missing a right turn, turning left at a T junction or taking a left fork. Straight on at a cross-roads is shown as a line on the left and right. Turning right at a cross-roads is indicated by a V on the left hand side of the herringbone.

The following example uses all roads.

The previous examples have been provided as a guide to the general navigational methods which may be used only. Competitors should not assume that the RI will appear in exactly the same form as the above examples. If you are unsure or have any difficulty with the above examples ask before the event starts.

DRIVING STANDARDS.

We should not need to remind you about driving standards, but please drive sensibly. There are several bad junctions where DSO's will be in attendance and the Police. Where known some of these points have been included in the route instructions. Any reports of irresponsible driving will be penalised by EXCLUSION.

Le Mans Autoparts

Le Mans Autoparts of Bedford are major wholesale distributors and manufacturers of after market accessories with a considerable leaning towards the competition end of the industry. Their own products range from gauges and fittings, braided hoses, small electrical switches and other related products including relays, fuse boxes and battery switches. LMA are the countries largest distributor of TIM and S-W gauges to trade outlets.

The Deal. On every round of the Championship LMA will award a voucher with a value of £100.00** to the highest placed ANCC driver. We felt the fairest way, was that the prize can only be won once by any one driver. Therefore, 12 different drivers will benefit from the sponsorship throughout the year. Each round will have a winner, if the top driver(s) have already won on a previous round, the prize goes to the next driver down the list - simple eh?

There will be cash prizes for winners of both driver & navigators championships too. The amount is yet to be fixed.

**£100.00 at LMA retail prices. Vouchers accepted at West Riding Motorsport, Demon Tweeks, Ripspeed, Road & Stage and many other good motorsport outlets.
