- 6 CONES Clive has worked his usual miracle and got Cones for us for a very decent rate. They will have to be collected on Thursday.
- 7 TRUCK is required for 4 days, Clive will hire it, and Tim will pick it up.

STAGE MINUTES OF RALLY MEETING 19/9/97.

- 1 DOCTOR Neill says that Neil Bowring is not available. N.B. also put us onto another doctor who Neill will contact. Clive will contact a Paramedic that he knows.
- 2 M&H PHOTOGRAPHY John Roberts has booked him and all that we have to do is send him finals.
- 3 TIME SCHEDULE Neill took a look and it looks OK, it is a worst case scenario (80 entries) and it looks at the moment (27 entries 19/9/97) as though we are going to be far short of the worst case.
- 4 BREAK EVEN we did a rough calculation which shows we need at least 44 entries to break even, and 58 entries would give us a profit of about a grand.
- 5 LAST EVENTS TROPHIES are to be reclaimed by John Roberts. Then we will have to consider getting them engraved with the previous years winners and some trophies for this year.
- 6 YORK ENVIRONMENTAL HEALTH Neill Carman has left a message as they are difficult to contact.
- 7 PUBLIC RELATIONS has been done by Clive Smith and Ian Hall.
- 8 TOILETS Ralph will bookem from Ebor Marquee and pickem up probably with Clive's help. The cost is likely to be £260.
- 9 EQUIPMENT Neill to contact Mike Dowell about possibly borrowing some of Yorks.
- 10 LARKSPEED LEAGUE have surprisingly published Neill's letter with their last results sheet for all to read, so it looks as though they aren't complaining about us banning 4WD and Turbos.
- 11 MOTOSCOPE will have to be contacted by Clive Smith, Neill mentioned that they also bring competition numbers so we do not have to get any more.
- 12 NEXT MEETING well there isn't another Friday spare until the event so contact others by phone if you see a problem and if you can think of a good reason for a meeting we could meet another night.
- 13 Nothing heard from ANEMMC yet.
- 14 FIRE EXTINGUISHERS taken away by Neill to be sorted.
- 15 So far the person power that we have available will be:
