5th October 1997

Dear Competitor/ Marshal/ Official

Thanks to you all firstly for turning up on the day and helping us to have a decent competition in the Larkspeed and Ridings Championships. Thankfully the weather stayed fair and we didn't have any accidents like the last time we were at Elvington in 1995 when we called the doctor into action twice. Only twelve competitors retired from the 55 that entered and that I think was mainly due to mechanical failure rather than accident damage. I hope that should we run the same event next year that you will remember us and come back again.

I must apologise that our results computer played up first thing in the morning, probably just like the rest of us it objected to getting up for 6 in the morning. Hence the results initially were thin on the ground. I hope that later we made up for it and that the stages were enjoyable.

Thanks must go to the locals in the area for tolerating motorsport especially Mr Mellor the local farmer who overlooks the service area and who provided the bales for you all to bounce off, and thanks also to Mr Dowell, young Mr Mellor, and Mr Roberts for placing them.

We just have one grouse, we expect to have to clear litter to ensure that motorsport can continue to use the venue but we don't expect to have to clear up the metre round patch of oil that a competitor with a blown engine dropped in the service area. It wasn't a case of having no time to clear it up because each time I passed it the car was unattended otherwise I would have said something to the crew direct. I think something to catch the oil might have helped matters and it would have saved us a good deal of work on Sunday morning.

However we are pleased with the way the event turned out and hope you had an enjoyable day. We look forward to seeing you next year.

Regards

Ralph Jackson
