- 7th April Committee meeting.**
We still need to discuss organising our next event and we would like interested parties to come along to this meeting with ideas. Several Committee members are going to come back with prices of venues and various other ideas. If you can't make it but would like to help in some way then please get in touch with a Committee member. There was also the question of whether we have enough manpower to organise an event at the moment especially doing the Public Relations work? Which sort of an event involves less manpower to organise: a Road Rally, a Single venue Stage Rally or a Multi - venue Stage Rally?
The Committee cannot organise events alone so if you don't state that you will help don't expect them to organise it on their own. I hope to see you there.
- 8/9th April Tour of Lincs by Lincs/Louth MC on Binbrook. 80-100 mils 95% loose. Kent Cams ANCC Northern Stage Championship 2000 and Kent Cams Tarmac Challenge Kent Cams Multi-venue Challenge. - There will be lots of jobs to do leading up to the event such as Public Relations work and preparing paperwork and on the night such as driving around the route, acting as an official or marshal in some capacity so please let someone know how you can help or what you are prepared to do to assist. Contact a committee member or Ben Lawrenson the Clerk of Course now. **A lack of response on this will mean that we do not have the manpower to organise this event.** In which case we will have to approach other clubs to delegate jobs to them which means that people from our own club will not get what are considered to be plum jobs. Lets face it why should you 'cherry pick' and say you will do course opener when you can't be bothered to do some Public Relations work.

The first Friday of the month will be the Committee meet in the Committee room, the second Friday in the month will be the newsletter deadline for reports to get into that months issue but post them to me, as I can't guarantee to be at the Clubhouse, in fact I may use that night to do the Newsletter which will be out in time for the following Friday.

19th Feb. The overnight stay at Stape.

Tim, Ben, Alastair and Ben stopped the night to be conveniently situated ready for the following days stages. Horror of all horrors however, the local pub was shut!! So the lads had to travel further afield to find a meal and a pint but knowing them they will have persevered. Anyway they must have enjoyed it a lot as they got to the stage the following day very late!

20th Feb Kall Kwik

We were helping Malton Motor Club to run Harwood Dale we had Alastair Crosby, Clive Smith, Ian Hall, Tim Elcock, Martin Shirbon and Ben Lawrenson signed on to marshal.

Here are Ben, Alastair and Tim looking very nonchalant at the control. Actually they were very very camera shy.

As Ian Hall and I drove to the stage we encountered temperatures as low as -5C with a good layer of frost everywhere. So the Radio man in the van to the left of the lads must have had something to prove as he only wore shorts and a tee shirt all day long at their wonderful location in full shade.

Clive Smith and Ian Hall in comparison had to suffer the heat of the sun all day long on the flying finish line. They had the 86Mhz radio on most of the day so that they could tell what was going on on the stage apart from that crucial time of day when "The Archers" could be heard in their bit of the forest.

Alastair did all of the youthfull climbing of trees etc for running the voicelink wire from the Flying finish to the stop line. Old Ben and Tim must have thought he was too agile in comparison to them as they tried to shake him out of the tree the last time he got up there.

To the leftt is new member Martin Shirbon from Brind for those of you who haven't met him yet.

25th Feb Car Scatter by Richard Glew.

This would have been a very good day to come down and have a go at a Scatter. Gavin and Ben had already made a start and Alastair was trying to convince John Roberts to accompany him when in walked Alistair Ginley who was quite keen to have a go. When Alastair got outside his jaw dropped,

Alistair had only come along in his Subaru Imprezza practice car. But my point here is all of the rest of you that didn't turn up missed out on just such an opportunity, so next time we run a scatter be there, please.

Results:

1st overall Alistair Ginley/ Alastair Crosby, Subaru Imprezza.

2nd overall Gavin Smith/ Ben Lawrenson, Peugeot 306 Diesel.

26/27 FEB MOORLANDS & MEADOWS MID DERBYSHIRE

Alastair Crosby and Richard Glew marshaled on this event which was a part of the ANCC Road Rally Championship and Gavin Smith and Mike Ogram competed and they finished third overall.

4/5th March Ryemoor Road Rally by Malton Motor Club

Selby have also been asked to do the results on this event and Neill Carman and Ralph Jackson did their best getting the results out within 15 minutes of the last car finishing. The Summer design of timecard helped which allows you to tell easily whether a car is before due time or OTL at a glance. Following a query the results were declared final and following a hearty breakfast we all got to go home.

FANTASY F1

Some of the rest of you may be having a go at this sort of thing, one of these appeared in Motoring News last year based on the World Rally Championship. Well I found one on the Internet and prior to the GP in OZ me and Rose registered our teams. Following the GP I was quite encouraged as both Ferraris, Ralf Schumacher, Nick Heidfeld had all finished and the only disappointment was the exclusion of Mika Salo. So I optimistically checked my placing and was horrified to find I was in 1,096th place with a score of 424 out of a maximum of 617!! Rose finished with 146 points and was in 10,682th place!! We believe that upwards of 35,000!! people registered for this Championship.

THE CLUBHOUSE BAR.

It really made me think at the Clubhouse the other week the most expensive beer that we serve is £1.30 per pint. Pub prices are certainly more expensive so have a trip out one Friday and visit us down at the clubhouse. There is no better time as the track has recently been regraded and is very smooth.

CHAMPIONSHIP POINTS.

Neill Carman appealed for all members to claim outstanding points for the current club year as he has had no updates for the championships this year so far.

SELBY AND DISTRICT MOTOR CLUB WEBSITE.

Well it's about time that we caught up with new technology so the other day I got a free site care of Xoom.com, the address is <http://members.xoom.com/selbydmc/> For anyone out there with Internet access it may be an easy way of updating you with what is happening and for

people from other clubs or who aren't in a motor club it will be a way to find out about us and get regs. Direct. The site is under construction so don't expect to find too much there at the moment but in time it will be perfected.

Neill Carman should be revitalising the site soon so prepare for some big changes soon.
