CONTROL PROCEDURE

TIME CONTROLS

Place your control board fifty yards before your control point. Take care not to press the lap button in without realising it as this freezes the Clock display. When the car arrives tell the navigator first of all what time you are giving him, if he accepts it, write it on his time card in the appropriate column, at the same time checking his competition number which will be in the top right-hand corner of the road book. If a competitor wishes to wait for a later time, hold him in the control until his time, mark his competition number and the time he was given on your check sheet in chronological order NOT competitors order. Also use the Bingo card to tell which competitors you have had through at a glance.

Should your rally clock stop, please enter BBC time from your own watch on the competitors road book, at the same time informing them that it is NOT a rally time.

If a competitor enters your control from other than the specified direction, enter 'WD' on his road book and note this on your check sheet. Competitors who reverse or cause obstructions, or depart in other than the specified direction (if a depart direction is indicated) should be noted on your check sheet and reported to the Organisers at the finish.

PASSAGE CONTROLS

Place your control board fifty yards before the control point. Sign the competitors road book in the box specified and fill in the check sheet in chronological order, NOT competitors number order. Also use the Bingo card to tell which competitors you have had through at a glance.

STANDING GIVE WAY MARSHALS

Report on your check sheet any competitor who does not stop at the give way line. We urge you to be fair and to use your discretion as to whether the competitor has made a real attempt to stop before the line, any penalties awarded against a competitor will have a serious effect on his finishing position. Also use the Bingo card to tell which competitors you have had through at a glance. Please stand at the junction preferably out of your car in a position such that competitors can clearly see you, and stay in position until the course closing car has collected your check sheet.

REGULARITY CONTROL AND INTERMEDIATE REGULARITY TIME CONTROLS.

As for passage control but the time to be recorded is the time that the CAR ENTERS THE CONTROL AREA. Any competitor stopping within sight of a RTC or IRTC will incur a penalty so PLEASE MARK THE TIME CARD WITH A CAPITAL 'S' IN THE BOX FOR DIRECTION OF APPROACH. Please record this clearly in the remarks column on your check sheets. His time of arrival at the control should also be recorded in the normal manner. Also use the Bingo card to tell which competitors you have had through at a glance.

Report 3 Swans Road Rally, Selby and District Motor Club, 14/15th December 2002.

It followed a new format for the 3 swans of a short “half night” rally. 100 miles with an early finish. The new date followed a last minute cancellation in June due to late PR problems.

Out of 28 entries, 26 started the rally

It was a wet night and due the recent rain very muddy in places. This was considered an added bonus to some competitors!

Only 2 retirements;

Richard and Andrew Lumb tried to navigate a footpath at the end of a white, which was not part of the route, and failed. Fortunately no-one was hurt and the car was eventually recovered by course closer Jason Turner in his Transit van, after getting stuck himself at one point in the effort !

The second retirement was Craig Whitehead and Duncan Warriner who came to a halt in water on the white at Gascoigne mine. This section was new to rallying and I believe enjoyed by all, except I suspect, Craig and Duncan. They were rescued by the mine's security guards in their land rover. Many thanks to the guards for their support!

The event was a decider for the ANCC and ANEMMC championships.

The ANCC first driver went to Gavin Smith (Beverley). Terry Martin (Clitheroe) needed to win this event to win the championship but unfortunately did not quite make it this time. He is second in the championship followed by Andy Beaumont of Beverley. Sandie Taylor narrowly missing a place having been in contention for third.

The ANCC navigator award went to Ian Tullie followed in second place by Mike Ogram (Beverley). Third place was a tie between Charlie Wheeldon and Paul Taylor. Charlie did not compete in the 3 Swans but Paul did and unfortunately was pipped to the post by Charlie by 1 point. They had tied on scores so the decider was on overall points.

It was a good contest for the final round and was decided on “the road”. Well done to all.

John Haden who came 16th overall and 5th in class won the ANEMMC driver's championship. Andy Baker and Guy Robinson who did not compete, came 2nd and 3rd respectively in the championship. The navigator's championship was won by Ian Tullie (a double here, well done Ian). Second, Charlie Wheeldon and 3rd Roger Hage. Ian and Roger both competed in the 3 Swans.

Both championship co-ordinators have included the 3 Swans in their 2003 championships. The rally will be returning to June. Hopefully better weather!

First 10 Positions for the 3 Swans

- 1.Jamie Gratton-Smith, Richard Hage
- 2.Gavin Smith, Mike Ogram
- 3.John Dimbleby, David Dimbleby
- 4.Robert Marshall, Roger Hage
- 5.Andy Beaumont, Matt Blood
- 6.Malcolm Holdsworth, Richard Holdsworth
7. Andy Bird, Plug Pulleyn
8. Dave Chapman, David Taylor
9. Danny Robinson, Ian Gibbons
- 10.Andy Whitaker, Charlie Tynan

The organisers would like to thank all competitors, and marshals for their support and for turning out on a wet cold night especially so close to Xmas.

The event was a success and well received by all competitors.

Many thanks also to De Lacy Motor club for providing their club house for the finish venue.
